Onslow College Teacher Relief

The Deputy Principal responsible for teacher relief will rotate each term.

As has been the case in the past we expect that teachers who are ill will contact the DP responsible by 7am and relievers will be contacted between 7:00am-7:45 am.

The general guidelines for determining relievers will be to use the reliever with the most appropriate expertise for the subject to be covered. This will be balanced with people's availability and providing a continuous day or half day of work where possible. Where a teacher is away for more than one day we may also endeavour to provide some consistency of reliever for the class.

If you wish to be considered for relief, please complete the attached form to confirm your availability and return it to vacancy@onslow.school.nz.
