

Dear Parents /Caregivers

PTA donation to support school wide fundraising initiatives

The Onslow College PTA (Parent Teacher Association) is an important part of the college community. It is made up of parent volunteers who contribute their time and energy in supporting the college in practical ways. This includes hosting events for new pupils, helping in the library, supporting at Parent/Teacher conferences and providing relevant information evenings for parents.

All funds raised through PTA initiatives are spent on college “wishlist” items after consultation with the Principal. Some examples where PTA have funded or contributed are laptops for students, a kitchenette, hot water and additional furniture for the student centre and additional seating in the maths corridor for students.

We are aware that many parents feel they are unable to contribute to the PTA in a practical way. We would like to offer you and your family an opportunity to provide financial support to the PTA.

Where possible, the PTA target areas of the school that benefit all students. Last year the PTA funded two of the five new water fountains around the school and new seating in the Quad. This year the funding priority is to provide multiple recycling stations around the school.

We look forward to your support and contribution. We welcome suggestions and comments.

Yours sincerely
PTA Committee
