

## **PTA Donation to Support School Wide Fundraising – Student Facilities**

Kia ora whānau

With your help, we would like to support the school to purchase things like kitchenettes, fridges and microwaves for our students.

The Onslow College PTA (Parent Teacher Association) is an important part of the college community. We are parent volunteers who contribute our time and energy to provide practical support for the college. For example, we host events for new pupils, help in the library, support the parent/teacher conferences, and provide information evenings for parents.

The PTA also helps to fund items on the college “wish list”, where they benefit all students. Previously, we’ve fully or partly funded things like the Onslow College App, the purchase of laptops for students, a kitchenette, hot water and furniture for the student centre, additional seating in the maths corridor for students, recycling stations, water fountains and new seating in the Quad.

We know that you might be unable to contribute to the PTA with your time. We’d like to offer you and your family an opportunity to provide financial support to the PTA.

Please donate if you can, and let’s help the school.

Ngā mihi  
PTA Committee

---

### **Donating to the PTA is easy. We have two easy payment options.**

- **Parent Portal** – simply access the parent portal – go to the **Online Fee Payment > Optional Payments** section and click on **PTA Donation** and **enter your donation amount**.
- **Direct Credit** – please make payment to the school account 123174 0265002 00  
**IMPORTANT:** include **student’s surname, form class** and **PTA donation** as a reference.

**You can choose your donation amount**

\$20                       \$50                       \$100                       Other \_\_\_\_\_

**Thank you for your support, all of which goes directly to support Onslow College.**

*Your Onslow PTA donation will be listed on the donation letter provided by the school.*
