

Kia aro ki te pai o te kāreti o Onslow Positives at Onslow

Our vision is for every ākonga (student) to come as they are to Onslow College, to grow as a whole person (academically, socially, artistically, culturally, sportswise) and to thrive in their future. This fortnightly newsletter celebrates the many kinds of successes across our school. It also highlights how our values - whānau, whakapapa, whenua, diversity and community are present inside and outside our school every day.

Fab at Futsal

Last week the Onslow Girls won the Senior Girls Regional Futsal Championship for the third year in a row. The team went through the day unbeaten winning 4/4 pool games scoring 18 goals and conceding just 1. This qualified them for the final and a 1-0 win over Wellington East (who eliminated Wellington Girls in pool play). This is an outstanding achievement for a great bunch of girls and a nice way for Pepi and Wai to finish their Futsal time with Onslow College as Year 13's.

They were winners of the Ross Family Trophy (donated by Onslow's Ross family (Nicola and Hannah (Yr13 2021) and Kate (Yr 10) who was in this year's team)

Budding Textile Designers in Years 9 & 10

The Years 9 and 10 Textiles classes had a great time developing some original and awesome fabric prints for their first projects. The year 9's constructed 'A Place for their Tools'. What a creative place to store their sewing gear and great fun as they experimented with paint, stencils, and stamps as they arrived back at school from our first bout of online learning earlier this term.

With some donated fabric as a base, the Year 10's developed colourful contrasting pockets and features for their project bags – 'A Place for their sewing projects' over the next term and a half.

I can't wait to see the Sleepwear and Hoodie projects next term - Sue Hannaway Subject Leader Textiles & Fashion Design.
